

Autumn 2022 **Training Program**

TRAINING PROGRAM

Up to date, practical and framed by a range of interesting activities and insights to the LEITNER world: these are the training courses we are planning for you in autumn 2022.

The program consists of face-to-face courses and individual onsite trainings directly at your ropeway installation.

We look forward to welcoming you to the next LEITNER trainings that are taking place from October 10th to 14th, 2022.

FACE TO FACE TRAININGS

The best

Our face-to-face training courses are probably the most popular of all the formats we offer. Our experts are focused on keeping the training sessions compact and like to combine theoretical information with practical examples.

The training experience in Vipiteno is rounded off with a factory tour, insights into the LEITNER world and activities outside the classroom.
